

## ***Welcome to our Winter 2025 newsletter***

Christmas is a wonderful time of year at Bridgeview Care.

Last month the RQIA approved our name change and we are thrilled that the Residential Home in Dunloy and the Nursing Home in Toomebridge are working together to provide excellence in healthcare under the Bridgeview Care Group name.

We are entering this season with a new management structure.

Nurse Manager, Fionnuala Kidd, is known to you all as is Deputy Manager & Clinical Lead, Lisa Clarke. General Manager, Declan McVey, supports the daily operations along with our rock Denise Kelly-Robinson. Leah Holmes is Acting Home Manager in Dunloy. This cheerful, dynamic team are present for our residents, staff and families. Their blueprint is already stamped on our homes. We would like to congratulate Home Manager, Megan McGowan, who had a happy & healthy baby girl in November 2025.

You will receive our Annual Quality Assurance Survey this month and we encourage you to provide feedback on our services, staff and many aspects to Bridgeview Care's delivery. Our teams are proactively looking for ways to improve the quality of everyday life for our residents so please help us and recognise the staff that are outstanding, thank you.

When visiting please take a few moments to enjoy our new art acquisition by Riki Neil called "Flower Bomb" in our front reception. The artist will visit our residents and staff in January 2026 to discuss its creation and meaning.

Thank you for your support and contribution to daily life at Bridgeview Care. I wish all our families and stakeholders a happy festive period and a healthy 2026.

*Warm regards, Patricia*

## Recent Promotions At Bridgeview

We are thrilled to announce a number of recent staff promotions at Bridgeview over the past few months. We welcome **Declan McVey** as a new face who has commenced

in his role as General Manager of Bridgeview, Toomebridge.

In addition, **Lisa Clarke** has been promoted to Deputy Home Manager and **Fionnuala Kidd** has taken over the position of Home Manager.

**Shinumol Mathew** continues her career, formerly a HCA, she has now passed her OSCE and obtained her NMC pin. Has now commenced a 6 month preceptorship programme to be a fully trained nurse.

## Quality Assurance Report

We are committed to excellence at Bridgeview and we really appreciate your feedback on our services. Please take a moment to fill out our Quality Assurance Questionnaire which will be distributed to you.

## Christmas Celebrations

The Christmas party is a very special day for the resident's and all of us at Bridgeview. It is an occasion which reflects the togetherness and vibrant atmosphere of the home. We had a DJ and refreshments for the residents and their families. It was an opportunity for us all to celebrate Christmas together in style as one big family. Tracy did a remarkable job co-ordinating the day along with the staff who assisted in organising the event. We even had a special visit from Santa Claus himself, much to the delight of everyone in attendance!
